The purchase of products in the online store of the **MADE IN MARKET®** website, [www.madeinmarket.eu](http://www.madeinmarket.eu) presupposes acceptance of these terms and conditions.

**MADE IN MARKET®** reserves the right to freely modify the terms and conditions contained herein, within the scope of applicable law, without prior notice.

#### Object

2. The purchase of any product through the online store implies acceptance of these terms and conditions.
3. Access to the online store does not require any prior subscription or user registration.

#### Product and Price Information

1. **MADE IN MARKET®** takes into account the information on the essential characteristics of the products; however, these are subject to constant changes about which the customer should be informed.
2. **MADE IN MARKET®** is not responsible for any differences and/or changes concerning the information on the products present in the online store that is provided by the supplier or manufacturer of products. Therefore, it is recommended to read the information on product labels, packaging, and documents that accompany the product before use or consumption.
3. **MADE IN MARKET®** reserves the right to change, at any time and without notice, the information and commercial offers, including prices, promotions, and trading conditions, presented on its products.

4. The sale of products in the online store is dependent on the existing stock at the time the product is collected. In case of the unavailability of the product at the time of checkout, the missing products will not be invoiced, and another similar product will be suggested to replace the selected product, which may or may not be accepted by the consumer. In cases of substitution, the price invoiced will be that of the substitute product and not that of the replaced product.
5. **MADE IN MARKET®** is a retailer that sells its products directly to the end consumer. Therefore, whenever there are indications that the products being purchased are not intended for personal or family consumption, **MADE IN MARKET®** reserves the right to refuse the sale.
6. Under the legislation in force, retail prices are presented in € (euros) and include VAT at the legal rate in force.
7. **MADE IN MARKET®** reserves the right to change the price at any time. The price is valid for the day it is announced, unless otherwise stated, and **MADE IN MARKET®** undertakes to apply the rates and prices indicated at the time of purchase.
8. The total price of the order, which is displayed at the time of order confirmation, is an estimated price, since price differences may arise in eventual products to be substituted or products that are unavailable. Only when the order is delivered will the invoice with the final price be presented.
9. For all sales outside of the European Union, the customer is responsible for paying any applicable VAT and customs duties. These fees must be paid to the relevant authorities, and failure to do so may result in penalties, fines, and legal consequences. **MADE IN MARKET®** has no control over these fees and cannot predict the exact amount that will be charged. It is the responsibility of the recipient to be aware of their legal obligations and to ensure that all necessary fees are paid. By using our website and making a purchase, you agree to comply with all relevant laws and regulations and to bear any costs associated with the purchase and importation of goods outside of the European Union.
10. Food products are subject to constant changes, of which the consumer should always be informed, and **MADE IN MARKET®** is not responsible for any divergences and/or modifications related to the information on them. Therefore, we recommend that you read carefully the information provided on product labels or tags, namely nutritional information, a list of ingredients, and recommendations for use, preparation, and/or conservation, before using or consuming them.
11. When purchasing wines and other wine cellar products, we warn that the harvest year may vary depending on the stock of the supply shop, so the year visualized in the image may not correspond.
12. Promotional sets and packages, which may include complimentary items such as glasses, scarves, or wines, **MADE IN MARKET®** notes that these items are produced on a seasonal and limited basis. Consequently, based on the stock available at the time of product collection, these items may be subject to substitution. Should a particular item be unavailable at the time of finalizing the order, it will not be invoiced, and an equivalent or better product may be offered in its place.
13. The images are illustrative, as variations may occur, which are the responsibility of the manufacturer.

For payments made through Paypal®, MBWAY, and Credit Card, to the estimated value of the purchase, a request is made to the customer's bank to authorize and reserve the total amount of the order with an additional 3%. This amount will be held captive and will be charged only if the order value exceeds the estimated value in the request. ## Cancellation policy

Consumers have a fourteen-day right to withdraw.

## Right of withdrawal

You have the right to cancel this contract within fourteen days without giving any reason. The withdrawal period is fourteen days from the day on which you or a third party named by you, who is not the carrier, have taken or have taken possession of the last goods.

To exercise your right of withdrawal, you must contact us (Impeccable Place: Warehouse & Distributions LDA, Parque Industrial Armés Bloco 3, Armazém S, 2715-771 Sintra, Lisboa, Portugal, [info@madeinmarket.eu](mailto:info@madeinmarket.eu), telephone: +351 210 508 653) by means of a clear declaration (e.g., a letter sent by post or an e-mail) of your decision to revoke this contract. For this purpose, you may use the enclosed sample revocation form, which is not mandatory.

To comply with the withdrawal period, it is sufficient that you send notification of the exercise of the right of

withdrawal before the expiration of the withdrawal period.

### **Consequences of the revocation**

If you revoke this contract, we shall reimburse you for all payments we have received from you, including delivery costs (with the exception of additional costs resulting from the fact that you have chosen a type of delivery other than the most favorable standard delivery offered by us), without undue delay and no later than fourteen days from the day on which we received the notification of your revocation of this contract. For this repayment, we will use the same means of payment that you used for the original transaction unless expressly agreed otherwise with you; in no case will you be charged any fees because of this repayment. We may refuse repayment until we have received the goods back or until you have provided proof that you have returned the goods, whichever is earlier.

You must return or hand over the goods to us or to Made In Portugal & Brasil e.K. (Karl-Theodorstrasse 18A, 80803 Munich, Germany) without undue delay and, in any case, no later than fourteen days from the day on which you notify us of the revocation of this contract. The deadline is met if you send the goods before the expiration of the fourteen-day period. You shall bear the direct costs of returning the goods. You will only have to pay for any loss in value of the goods if this loss in value is due to handling of the goods that is not necessary for checking the condition, properties, and functioning of the goods.

### **The right of withdrawal does not apply to the following contracts:**

- Contracts for the delivery of goods that can spoil quickly or whose expiration date would be quickly exceeded.
- Contracts for the delivery of sealed goods that are not suitable for return for reasons of health protection or hygiene if their seal has been removed after delivery.
- Contracts for the delivery of alcoholic beverages, the price of which was agreed upon at the time of the conclusion of the contract but which can be delivered at the earliest 30 days after the conclusion of the contract, and the current value of which depends on fluctuations in the market over which the entrepreneur has no influence.

### **Model cancellation form**

(If you wish to cancel the contract, please fill out and return this form.)
